AMSET Welcomes Beaumont Camera Club for 2nd Juried Group Exhibition

(Beaumont, TX; May 22, 2023) The Art Museum of Southeast Texas (AMSET) is proud to once again partner with the Beaumont Camera Club (BCC) for their 2nd Juried Group Exhibition on view through August 13, 2023 in AMSET's Café.

This juried group exhibition includes artwork from 13 local Southeast Texas photographers. Each photographer submitted two pieces for the show. First, second, and third place prize winners will be selected from the group by Melanie Modica, an Accredited Senior Appraiser for the American Society of Appraisers. The first-place winner will receive a fully funded solo exhibition with AMSET in May 2024 underwritten by Rob Clark and Jerry Thacker.

The Beaumont Camera Club is made up of amateur and professional photographers from all over Southeast Texas. The BCC meets on the 1st and 3rd Mondays of each month at the Beaumont Botanical Gardens and visitors are always welcome. The first meeting of the month is either a concept, presentation, or field trip night. The second meeting is reserved for photo contests open to novice and advanced members. For more information on the Beaumont Camera Club, please visit beaumontcameraclub.com.

A reception for the exhibition will take place on Sunday, June 4, 2023 from 2-4 p.m. The reception is free and open to the public. For more information please call (409) 832-3432 or visit amset.org. Stay up-to-date with AMSET and follow us on social media - @amsetx.

Through unique collections, exhibitions, public programs and outreach in the visual arts, the mission of the Art Museum of Southeast Texas is to provide education, inspiration and creative vision throughout Southeast Texas.
