RENTAL REGULATIONS

WHAT'S PROVIDED:

- Your facility rental price includes time for setup/tear down of any decorations you bring in. Your rental company will set up a time with AMSET's Event Coordinator to discuss pickup of any tent, tables, chairs or any other rented item.
- We provide your setup, clean up, tables and chairs inside. For outdoor rentals, the lessee must provide tables and chairs.

FOOD & BEVERAGE:

- All food must be prepped and prepared by a licensed caterer out of a certified kitchen.
- You can choose any certified caterer. The Event Coordinator will need to know company name and contact information 4 weeks prior to the event for approval.
- Our preferred, in-house caterer is Two Magnolias -twomagnolias@hotmail.com or 409-833-5913. A **\$300 move out fee** will be added to your rental cost if they are not used to cater your event.
- Cakes can be brought in!
- If a bartender is needed, AMSET will provide your TABC certified bartender for \$25.00/hour. For events with alcoholic beverages, police are required at a rate of \$55/hour. We hire the accurate number of police based on your headcount.
- Alcohol can be purchased and delivered to AMSET prior to the event.
